AAKAR CARBONS

THINK CARBON THINK AAKAR

Graphite | Carbon Raiser | CPC | COAL

An Integrated Supplier of Advanced Graphite and Carbon-Based Raw Materials

AAKAR CARBONS

1. Carbon & Graphite Products

- Natural Graphite (Flake / Powder)
- Synthetic Graphite (Granules / Powder)
- Amorphous Graphite Powder
- Carbon Raiser (Coal Based & Graphite Based)
- Raw Anthracite Coal
- Calcined Anthracite Coal
- Calcined Petroleum Coke (Granules / Powder)
- Met Coke / Pearl Coke / Hard Coke
- Graphite & Carbon Blocks / Plates

2. Water Filtration Product

- Activated Carbon
- Anthracite Filter Media

3. Electrical & Earthing Solutions

- No Maintenance Long Life Earthing Electrodes
- Marconite Conductive Granules / Powder
- Conductive Backfill Compound

All products are available in all sizes and grades as per customer requirement.

WHY CHOOSE US

- One-stop solution for all kinds of Carbon & Graphite requirements.
- Chosen by leading foundries, Refractories & steel makers, all over India.
- High Quality, Reasonable Pricing & Scheduled time delivery.

SMELTOCAST AID PVT LTD

- Exothermic Sleeves & Insulating Sleeves
- Neck Down, Oval & Down Pour Sleeves
- Hot Tops (Ingot Casting Feeders)
- Graphite, Zircon & Magnesite Coatings
- Tundish Board
- Anti-Piping Compound, Thermaxo Powder, Nozzle Filling Compound (NFC)
- Inoculants, Crucible & Fluxes
- Soapstone, Bentonite & all kinds of Foundry Raw Materials

WHY CHOOSE US

- One-stop solution for Foundry Raw Materials & Consumables.
- Tailored Products as per Customer requirement Backed by Technical know-how & Application support.
- Assured availability, Timely Dispatch & responsive support-so your production never slows down.
